Policies

LABOR RATES do not include parts such as cables, tubes, brake pads, ect. With the exception of ball bearings in a hub, headset or old style bottom bracket overhauls.

PRICES are subject to change at any time. Some repairs require additional time due to rusted or corroded mechanisms. These cases will incur additional shop rates above the basic service price. Any thing not listed on our chart is to be charged by an hourly rate.

WARRANTY We offer 30 days warranty on labor. This does not cover tube punctures from road debris, crash damages, improper storage or any other catastrophic event which is not related to an adjustment. **All parts carry THE MANUFACTURER'S WARRANTY.** If it is a part you have purchased from us, we will aid in the warranty process. Ultimately it is the manufacturers verdict on warranty parts. We do not warranty parts not purchased from us.

DEPOSITS A minimum of 50% is required for repairs over \$100 and special order items. We reserve the right to require a deposit in any situation.

STORAGE FEES Any bike or part left more than 30 days will incur a \$10 a day storage fee. If more than 90 days has passed bikes or parts **will be considered abandoned and property of the bike garage.**

SCHEDULING Minor repairs may be done while you wait. Services such as tune ups may require you to leave your bike. Turn around times vary based on seasonal volume, parts availability and other factors. Scheduled appointments are usually same day or next day depending on circumstances. We are first come, first serve. Turn around times on walk ins are determined by current work load.
